

# CERTIFICATE

D-ZE-16083-01-00-ISO3834-2014.0152.008

DVS ZERT hereby certifies that the company

**Saar Stahlbau GmbH  
Hüttenstraße 2  
66115 Saarbrücken  
Germany**

has furnished proof to fulfil  
the quality requirements for welding according to

**DIN EN ISO 3834-2:2021**

in the extent mentioned on the reverse side.

validity: 17.05.2024 until 09.05.2026

Düsseldorf, 17.05.2024

Place and date of issue

Dipl.-Ing. (FH) Duchêne

Lead Assessor

Dipl.-Ing. Gurschke  
Head of certification body

## Scope of the certificate

D-ZE-16083-01-00-ISO3834-2014.0152.008

|                                         |                                                                                                                                                                                                                                   |                  |
|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| <b>Area of Application:</b>             | steel construction, bridge construction, container and pipeline construction, wagon construction, mechanical engineering, industrial assembly, valve service, maintenance of steelworks facilities, vehicle and plant maintenance |                  |
| <b>Welding Processes:</b>               | 111, 114, 121, 131, 135, 136, 141, 311, 783<br>acc. to DIN EN ISO 4063                                                                                                                                                            |                  |
| <b>Base Materials:</b>                  | 1.1, 1.2, 1.3, 5, 8.1, 8.2, 8.3, 22.3<br>acc. to CEN ISO/ TR 15608                                                                                                                                                                |                  |
| <b>Responsible Welding Coordinator:</b> | Pfleiderer, Andrea (IWE)                                                                                                                                                                                                          | born: 05.11.1969 |
| <b>Deputy Welding Coordinator:</b>      | Meiß, Christopher (IWE)                                                                                                                                                                                                           | born: 26.10.1985 |
|                                         | Hoffmann, Guido (IWS)                                                                                                                                                                                                             | born: 07.05.1969 |
